

## Electric Portable Wheelchair XS1

£790 With Vat Relief

Our XS1 electric wheelchair will give you the ability to get around and provide enhanced ease of use and comfort. Perfect for indoor use, our electric wheelchair offers you a tight turning radius as little as 24 inches, which makes it easier for you to steer with precision. Our XS1 Electric Wheelchair is an affordable long range Electric Wheelchair, capable of a climbing capacity of up to 12 degrees, reaching speeds of 4 mph and traveling up to 18 miles on a single charge. It's performance benefits include 2x250W brush motor, 24V20AH Lithium battery, an electromagnetic braking system, controlled by smart Joystick, solid tyres, headlights, tail lights and turn signals.

**Finance Options:** Klarna - Up to 48 payments, Snap - Spread payments over 15 months - Below standard credit.
